Ellis County & District Attorney Patrick Wilson issued the following statement: “This agreement was made with the full knowledge and consent of the victim, Jason Waldeck. My prosecutors and investigators met with him many times. Through those meetings, Jason and my staff had the opportunity to discuss and consider many possible outcomes if these cases continued to trial. I am confident that this outcome satisfies our legal and moral obligation not to convict, but to see that justice is done. Jason is a young man with his entire life ahead of him. We wish him well as he pursues his dream to become a professional firefighter.”
